Summary:

Find out what the boys of Hawkins are really into...

1. Mike Wheeler

A - After sex

Mike likes a little chat after sex. Either talking about geeky stuff or how he wants to go a round 2 later that day.

B - Bottom or Top?

Mike's pretty versatile. He loves getting fucked as much as he loves doing the fucking - it usually just depends on his mood or who he's with.

C - Cum

Mike loves to be cummed on. He loves getting soaked in your seed before licking it all off, maybe even sharing it between your mouths. However, usually he likes to unload inside of you, whether it be in your mouth or in your ass - he just finds it satisfying.

D - Dress up

Mike loves to dress up as dungeon and dragons characters, often going to the costume shop and getting a knight or wizard costume to fuck you in.

E - Experience

Mike's not got much experience, having only recently turned 18. But he's ready to get naughty with just about anyone.

F - Favourite bodypart

Mike simply loves the ass. He can't help himself and just stares upon every juicy ass that walks past.

G - Gag reflex

Due to his lack of practice, Mike has a pretty weak gag reflex. He can usually take about 4 and a half inches before choking, but he aims to get better.

H - Hair

Mike isn't very hairy at all, other than a bit of fuzz as his trail.

I - Intimacy

Mike's pretty mature and open, for his age. He'll tell you how he feels and be quite honest with what he wants. He's also very protective.

J - Jerking

Mike's almost always jerking off. If you're not around, he's cumming on the printed photos he took of your naked body.

K - Kinks

Mike hasn't exactly had the opportunity to explore his kinks, but he's learned to love doing stuff outdoors in the woods. He loves the thrill of it.

L - Lube

Mike will usually use lube, often borrowed from Nancy's room. Sometimes he'll use spit if he's getting too impatient or hasn't got any on hand.

M - Massages

Mike isn't that into massages. He mostly finds them kinda boring and ends up just fucking or riding you instead.

N - Nope (turn offs)

He really hates a lack of loyalty and trust. He takes betrayal very seriously and will struggle to forgive you for a while.

O - Oral

Mike's always eager to suck or be sucked. Almost every morning you'll both be 69ing, taking care of each other's morning wood. He loves eating ass, too. Usually, as you guys are watching movies together, his face is buried inside your ass.

P - Position/Place

As mentioned before, Mike loves to fuck in the woods, as well as the ridge by the quarry. He just loves the thrill and the excitement of it. He loves to do it doggy style. Nothing to distract him from the searing pleasure.

Q - Quickie

Mike loves a quickie. Before school he loves a quick fuck at the back by the dumpsters, or between classes in the restrooms.

R - Risky

Mike loves to play it risky - whether it be fucking you in the living room, knowing his Mom's coming home soon or doing it just outside of Hopper's cabin.

S - Stamina

Mike's got a lot of energy when it comes to sex. He can go round after round until either one of you passes out.

T - Toys

Mike doesn't have any actual sex toys, however he does have a lightsaber toy that he's used to fuck himself, every now and then.

U - Underwear

Mike usually just wears boxer shorts with different various nerdy prints on them, from Ghostbusters to X-Men.

V - Volume

Mike does not have very good control over his volume, usually moaning and whimpering loudly. He usually has to be quietened down with either a gag or your lips.

W - Wrecking Ball

Mike can be kinda messy, so long as his figurines or comic books

aren't at risk.

He does leave claw and bite marks on your skin during your sexual escapades.

X - X-Ray (Dick size)

Mike's got a 6 and a half inch, uncut cock with a small bush at the base of his shaft.

Y - Yep (Turn ons)

Mike loves a fellow nerd. It turns him on when you get into it, usually resulting in you both fucking in the toilets of the arcade.

Z - Zest

Mike's a horny teenager, so he's almost always waiting for the next opportunity to fuck.

2. Steve Harrington

A - After sex

Steve genuinely cares about you. He'll pull you into a cuddle and you'll sit in a sweet silence, just enjoying each other's company.

B - Bottom or Top?

Steve's vers but he tends to lean more towards top, usually. He's the protector, the carer. When he holds you in his arms as he makes love to you, it just feels better for him.

C - Cum

Steve prefers to cum in your mouth. He just loves the act of feeding you his seed and watching you swallow his creamy goodness.

D - Dress up

It embarrasses him, but if you ask nicely he'll dress up in his sailor outfit.

E - Experience

Back when he was the cool kid, Steve would usually fuck his way through school - so he knows exactly what he's doing in bed now.

F - Favourite bodypart

Steve loves the ass. Plain and simple, he just loves to watch it walk in front of him.

G - Gag reflex

Steve's got a fairly decent gag reflex. He can take about 7 inches before choking, but it's a bit of a struggle.

H - Hair

Steve's naturally not that very hairy and the few chest hairs he does

grow he tends to shave off - it just doesn't suit him.

However, he does maintain a narrow trail, which makes him feel sexy.

I - Intimacy

Steve's very protective. He may not seem it at first, but if he cares for you, he'll do anything he can to keep you safe and happy.

J - Jerking

Steve's a horny teenager, so he'll usually have his fingers wrapped around his cock if you're not around.

K - Kinks

Steve's a bit of an exhibitionist. He loves testing his luck and fooling around with you in the school locker rooms and showers, or even in the woods.

Since becoming an employee of Scoops Ahoy, Steve's been quite curious to try incorporating ice cream into the bedroom...

L - Lube

Steve will usually use lube and have some onhand. He wants to make it as comfortable for you as possible, but will sometimes get carried away during a rough quickie and just use spit.

M - Massages

Steve will give you a massage if you really want one, but he's not super into it.

N - Nope (turn offs)

Steve's actually quite turned off by the 'popular kids' as it reminds him of himself when he was arrogant and selfish. He prefers outcasts.

O - Oral

So many times between classes or shifts at work, you'll be on your knees slurping at precum from Steve's cock - he's almost addicted to

your mouth.

He also really enjoys waking you up with his face buried in your ass, licking you out for breakfast.

P - Position/Place

Steve loves fucking you in the cowboy position. It just turns him on so much to watch your sweaty body moving up and down on his shaft.

Steve's favourite place to get naughty is in his car, in the backseat. He loves the thrill of being caught by Sheriff Hopper.

Q - Quickie

Steve loves a quickie. So often he'll drag you into the toilets of the mall and fuck you in the stalls or quickly dump a load inside you in the shower.

R - Risky

Steve loves to get a bit risky - he just loves the adrenaline rush. He'll fuck you in every car parking spot in Hawkins.

S - Stamina

Steve can go about two rounds, usually. Sometimes he likes to just cum in both of your holes a night.

T - Toys

Steve has a few blindfolds, dildos and even a vibrator he loves to include when you both have a moment alone in his bedroom.

U - Underwear

Steve usually wears boxer shorts, often with simple dark colours too.

V - Volume

Steve's pretty loud in bed. His moans and grunts can be heard through walls. He really eggs you on when it comes to dirty talk to, as he loves to hear you beg for it.

W - Wrecking Ball

Steve isn't usually that rough, but occasionally after a rough day he might rip your shirt open, leave hickies on your skin and leave the bedroom in a complete mess by the time he's done with you.

X - X-Ray (Dick size)

Steve's got a 7 inch, narrow, cut cock with low hanging balls. He keeps it trimmed, as he prefers the groomed look more.

Y - Yep (Turn ons)

Steve really loves the dorkier, funnier, weirder types. They interest him far more than the cool kids.

Z - Zest

Steve's almost always horny, so he's ready to fuck wherever, whenever.
